Disclosure Statement:

Creative Explorations Retreats are designed to provide a nurturing environment for personal growth and restoration. Diagnosis or treatment of medical conditions or mental disorders is not offered or available. Support and facilitation in the discovery process is available, but is not to be construed as professional counseling or therapeutic intervention of any kind. A retreat may not be appropriate if you are in a state of intense emotional vulnerability.

Responsibility Notice:

Each registrant is personally responsible for the care and safety of the studio and its contents. Cost of lost, damaged or broken items will be added to your bill. Live gently as a guest and always lock the door when you leave.

Informed Consent/Hold Harmless:

I understand and agree that neither Creative Explorations nor Jennifer Horner diagnoses or treats any medical or psychological disorders or illnesses. I hereby release and hold harmless Creative Explorations and Jennifer Horner from and against any and all liability whatsoever in connection with my retreat. Further, I have read and agree to the fees and commitments as outlined above.
